

How is the decision made about how much support my child will need?

- Our provision is arranged to meet our children's needs, within the resources available. This approach reflects the fact that different children require different levels of support in order to achieve age expected attainment.
- The SENCO meets with class teachers, as well as with support staff, to discuss the student's needs and what support would be appropriate.
- There are always on-going discussions with parents/carers for any student who requires additional support for their learning.
