

How will my child be included in activities taking place outside of the classroom?

- All children are entitled to be included in all parts of the school curriculum and we aim for all children to be included on school trips. We will provide the necessary support to ensure that this is successful. All children with additional needs, including disabled children will be encouraged to take part in the broad and balanced curriculum. Staff will work tirelessly to ensure that all children are able to participate in wider learning.
- A risk assessment is carried out prior to any off-site activity to ensure everyone's health and safety will not be compromised. In the unlikely event that it is considered unsafe for a student to take part in an activity, then alternative activities which will cover the same curriculum areas will be provided in school.
