

### What SEND Training and additional training have staff members had?

- All staff are trained each year on the needs of new children or young people joining the school – this can include training from specialist agencies or consultants, as well as from the Learning Co-ordinator or other staff with relevant expertise.
- SEND training forms part of the continuing professional development of all teachers and Teaching Assistants and is organised in accordance with the needs of the children.
- The school works closely with other local schools, sharing training opportunities including INSET days and outside experts. Opportunities to develop this aspect of local expertise are actively sought throughout the school year.
