

Year Group	Reception	Year 1	Year 2	Year 3	Year 4
<b>Topic</b>	<b>Transport; Pirates/Under the Sea</b>	<b>Explore the World</b>	<b>Explore the World</b>	<b>We'll Meet Again (WW2)</b>	<b>We'll Meet Again (WW2)</b>
<b>Skills:</b>					
<b>Computer Science</b>	<p>Know how to operate simple equipment e.g. turns on CD player and uses remote control (30-50 months)</p> <p>Shows skill in making toys work by pressing parts or lifting flaps to achieve effects such as sound, movements or new images (30-50 months)</p> <p>Shows an interest in technological toys with knobs or pulleys, or real objects such as cameras or mobile phones (30-50 months)</p> <p>Completes a simple program on a computer (40-60 months)</p> <p>Uses ICT hardware to interact with age-appropriate computer software (40-60 months)</p>	<p>Understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions.</p> <p>Create and debug simple programs.</p> <p>Use logical reasoning to predict the behaviour of simple programs.</p>	<p>Understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions.</p> <p>Create and debug simple programs.</p> <p>Use logical reasoning to predict the behaviour of simple programs.</p>	<p>Design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts.</p> <p>Use sequence, selection and repetition in programs; work with variables and various forms of input and output.</p> <p>Use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs.</p> <p>Understand computer networks, including the internet; how they can provide multiple services, such as the World Wide Web, and the opportunities they offer for communication and collaboration.</p>	<p>Design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts.</p> <p>Use sequence, selection and repetition in programs; work with variables and various forms of input and output.</p> <p>Use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs.</p> <p>Understand computer networks, including the internet; how they can provide multiple services, such as the World Wide Web, and the opportunities they offer for communication and collaboration.</p>
<b>Information Technology</b>	<p>Knows that information can be retrieved from computers (30-50 months)</p> <p>Select and use technology for particular purposes. (ELG)</p>	<p>Use technology purposefully to create, organise, store, manipulate and retrieve digital content.</p>	<p>Use technology purposefully to create, organise, store, manipulate and retrieve digital content.</p>	<p>Use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content.</p> <p>Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information.</p>	<p>Use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content.</p> <p>Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information.</p>

<p>Digital Literacy</p>	<p>Recognise that a range of technology is used in places such as homes and schools. (ELG)</p>	<p>Recognise common uses of information technology beyond school.</p> <p>Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.</p>	<p>Recognise common uses of information technology beyond school.</p> <p>Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.</p>	<p>Use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concern about content and contact.</p>	<p>Use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concern about content and contact.</p>
<p><b>Knowledge</b></p>	<p><b>Reception</b></p>	<p><b>Year 1</b></p>	<p><b>Year 2</b></p>	<p><b>Year 3</b></p>	<p><b>Year 4</b></p>
<p><b>NC aims for Key Stages 1 (Years 1 and 2) and 2 (Years 3-4)</b></p> <p>C1: can understand and apply the fundamental principles and concepts of computer science, including abstraction, logic, algorithms and data representation</p> <p>C2: can analyse problems in computational terms, and have repeated practical experience of writing computer programs in order to solve such problems</p> <p>C3: can evaluate and apply information technology, including new or unfamiliar technologies, analytically to solve problems</p> <p>C4: are responsible, competent, confident and creative users of information and communication technology.</p>	<p><b>2Create a Story:</b>  <b>2 Create a Story</b> - Children create stories written in Literacy (steam train, rocket)  <b>Simple City</b> - Garage. Watch videos, create a bus using drag &amp; drop.  <b>Paint project</b> - bus, car, boat etc.</p> <hr/> <p><b>Keyboard skills</b>  <b>Purple Mash</b> – Write a postcard about your time by the sea.  <b>Google docs</b> - write about your memories from Reception.  <b>Simple city</b> – On the farm (link to school trip).  <b>Purple Mash</b> – farm puzzles.</p>	<p><b>Unit 1.7</b>  <b>Coding</b>  <b>2Code</b>  Algorithms: Children write a program that controls how a character will move and interact. Use logical reasoning.</p> <hr/> <p><b>Unit 1.8</b>  <b>Spreadsheets</b>  <b>2Calculate</b>  Use technology purposefully to create, organise, store, manipulate &amp; retrieve digital content - navigate and use a spreadsheet</p> <p><b>Unit 1.9</b>  <b>Technology outside school</b>  Recognise common uses of information technology beyond school</p>	<p><b>Unit 2.6</b>  <b>Creating Pictures</b>  <b>2PaintAPicture</b>  Create, organise, store, manipulate and retrieve digital content Create art based upon a range of styles: Impressionist; Pointillist; Surrealist; in the style of Mondrian &amp; Morris</p> <hr/> <p><b>Unit 2.7</b>  <b>Making music</b>  <b>2Sequence</b>  Make music digitally. Create own tune using sounds uploaded and created.</p> <p><b>Unit 2.8</b>  <b>Presenting Ideas</b>  Create, organise, store, manipulate &amp; retrieve digital content  Make a quiz about a story or class topic; a fact file on a non-fiction topic &amp; a presentation to the class.</p>	<p><b>Unit 4.5</b>  <b>Logo</b>  <b>2Logo (text-based coding)</b>  Design, write and debug programs  Use sequence, selection and repetition in programs (create letters, shapes and 'flowers')  Use logical reasoning and detect and correct errors</p> <p><b>Unit 4.6</b>  <b>Animation</b>  <b>2Animate</b>  Select, use and combine a variety of software  Create a simple animation using stop motion ideas.</p> <hr/> <p><b>Unit 4.7</b>  <b>Effective Search</b>  <b>2Quiz; 2Connect (Mind Map)</b>  Use search technologies effectively. Understand computer networks, including the Internet.  Analyse contents of a web page for clues about the credibility of the information</p> <p><b>Unit 4.8</b>  <b>Hardware Investigators</b>  <b>2Quiz; 2Connect (Mind Map) Writing Templates</b>  Understand computer networks, including the Internet.  Create a leaflet to show the function of computer parts.</p>	<p><b>Unit 4.5</b>  <b>Logo</b>  <b>2Logo (text-based coding)</b>  Design, write and debug programs  Use sequence, selection and repetition in programs (create letters, shapes and 'flowers')  Use logical reasoning and detect and correct errors</p> <p><b>Unit 4.6</b>  <b>Animation</b>  <b>2Animate</b>  Select, use and combine a variety of software  Create a simple animation using stop motion ideas.</p> <hr/> <p>--</p> <p><b>Unit 4.7</b>  <b>Effective Search</b>  <b>2Quiz; 2Connect (Mind Map)</b>  Use search technologies effectively. Understand computer networks, including the Internet.  Analyse contents of a web page for clues about the credibility of the information</p> <p><b>Unit 4.8</b>  <b>Hardware Investigators</b>  <b>2Quiz; 2Connect (Mind Map) Writing Templates</b>  Understand computer networks, including the Internet.  Create a leaflet to show the function of computer parts.</p>
